James is a big bully. Everyone in our class knows it. He is just plain mean!

Yesterday he threw an egg at Pat's head. The egg hit Pat just above his eyes. Pat just went to the bathroom and washed it off. He never told anyone.

Today, James told Billy, "Billy, you are stupid." Then he hit Billy on his back. Billy cried. James laughed. Billy just dried his eyes. He didn't tell anyone.

James came up to me at lunch. He took my apple. I asked him to give it back. James said, "Just try and make me!" He walked away.

My dad always said to me, "If anyone ever does anything to hurt you, you must tell someone. I am going to tell my teacher. I am going to tell my mom and dad.

James should not hurt anyone! Not ever! He should not hit anyone. He should not make fun of anyone. James is a bully. I am going to tell, because someone has to make James stop this bad behavior.

There is Mrs. Green, my teacher. I will tell her now.
